PRESS RELEASE

25th June 2010

New Leaf Homes, 'La Crème de la Crème'!

This summer, New Leaf Homes was blessed with a French Exchange Student who was working here in the UK as part of her Business Management work placement.

Marion was here for a full six weeks to experience the lifestyle in England, along with the working environment of an entrepreneurial type of business.

Marion said about working with New Leaf Homes, 'As a French student, it was my first experience both visiting and working in England. I realise that as my first working experience I don't have anything to compare it to. However, working with Vivien has been one of the best experiences of my life.'

She continued, 'In French, we describe excellence quite simply as 'La Crème de la Crème'. New Leaf Homes is and will be the best Sales and Lettings Agency in Guildford because of Vivien and Sarah's determination to transform the way people perceive estate agents.'

[New Leaf Homes](#) is a local, independent firm specialising in [Residential Property Sales & Lettings and Property Management](#) with over 20 years property experience.

The team is managed by a formidable ['Mother and Daughter' partnership](#) who pride themselves in offering a personal and friendly service to all, whilst at the same time maintaining a high standard of competence, professionalism and integrity.

Vivien White, the business director, explains, 'The name, New Leaf Homes is based on a verse in scripture, (Proverbs 11:28 - Whoever trusts in his riches will fall, but the righteous will flourish like a green leaf.) which was then developed by my daughter Sarah into our current brand.'

New Leaf Homes has in depth knowledge of [Lease Options Sales](#) or 'Rent to Buy' transactions, which give them their own niche in the current market as very few traditional estate agents or letting agents understand the mechanism of this type of purchase.

Vivien continues, 'Our offices are based in the picturesque village of Wonersh, and we focus mainly on the Golden Triangle between Guildford, Godalming and Cranleigh. However, with our Virtual Marketing Service, we have just completed a sale on a property in Torquay so we can sell anywhere really, as we work in direct partnership with the Seller or Landlord and provide as much or as little input as they choose.'

New Leaf Homes has been hailed as '[A Breath of Fresh Air](#)' to the property industry, as they strive to change the face of Sales & Letting Agents in the UK, starting with the transformation of the Guildford area first and foremost.

If you are looking to let or sell your property, **please contact either Vivien or Sarah on 01483 890722** or email info@newleaf-homes.com .
